Location **Florida**

BRAND NEW, in unopened cases. Copy paper, for a great buy for your business! I have a variety of brands from Staples, OfficeMax, and Office Depot, but they are all high quality paper.

Regular retail price of \$52.99 per case, but sold here for only \$23 per case! If you're willing to purchase my entire stock (currently about 25-30 cases), I'll knock the price to \$22 per case.

This is high quality 20 lb. paper, acid free.

Buyer must pick up the item in Margate, FL (NW Broward County).

If you want to verify my integrity, please check the 100% ebay feedback for my ebay ID, which is luvhaiti.

Before contacting me, please click on "more ads by this user," under the map at the right, and then you can peruse all the many other items that I have, some of which may interest you.

Thank you, and may God bless!
