

# 7 LCD Screen Protector Guard Film for Kindle Tablet (3 USD)

Location **Florida**

Why pay \$10 at Walmart or some other retailer for a screen protector?

I have five (5) new screen protector films, that will work with any 7-inch tablet, such as the Amazon Kindle Fire, the Blackberry Playbook, Barnes & Noble Nook, Samsung Galaxy Tab, and many others.

These are \$2.50 each, or \$10 for all five of them. You can pick these up from me, or if you prepay with a verified paypal account, I will mail them to you. Paypal and mailing will be \$.50, to cover my paypal fee.

Easy to install.

Buyer must pick up the item in Margate, FL (NW Broward County), or pay additional shipping charges.
