There is no such thing as a "rehoming fee".  
 You people who use that made up B.S. are just too chickenshit to admit you're SELLING your mutt.

And for you who claim you need the "rehoming fee" to ensure your precious little sweetums goes to a good home....well you're just flat out liars who can suck a dick.

You want the cash. You know it, everyone else knows it, but you have to lie, because that's who you are....a chickenshit liar.

Seriously liars, fuck....
