This absolutely breaks my heart, but I need to re home my baby girl. At this time, I have to move and I cannot take her with me. Kenna is a 5 year old Pitbull Husky mix. She spayed. Highly intelligent, loving girl who I want find a forever home. A little back story, I rescued Kenna when she was 9 months old and I'm pretty sure the person who had her before abused her because she's a little hand shy, but for the last 4 years, she's been with me. She's cuddly, energetic girl who needs someone to love her as much as I have. She's come a long way from when I found her. I'm asking for a small rehoming fee to ensure that she goes to a good home, this can maybe be negotiated. Feel free to contact me through email or by.
