A very nice clean 2004 Chevy extended cab 4 door 2500 with a 6.0 engine. It has 240,000 hwy miles. Just put a new starter on a month a go and it has new ball joints, new brakes on front and rear. A very nice heavy duty bumper with brush guard on it as well. Heat and A/C both work really well. Drives and runs great and pulls just as good. Clean title as well. Please call if you have any questions and thanks for.
