

hp pavilion dv4 (1225 USD)

Location Arkansas
<https://www.genclassifieds.com/x-370873-z>

perfect working order, EXCELLENT condition, with windows 10 tester software in full updated status, with charger, and it has VERY low miles on it. I love it, but need cash immediately. no low ballers please, this is a 400 dollar laptop in very good condition. still has all stickers on.
