Hello, my name is Maria. After more than 10 years of experience taking care of/tutoring infants and toddlers I have opened a private Daycare Center in my own home. In addition to 10 plus years in child care, I have life experience. Through my experience as a mother and nanny I have learned to understand the essential needs of parents and their children to have a harmonious experience.

I am hardworking and dedicated to providing an exceptional Daycare environment. I have high morals and care for children as if they are my own. I'm passionate about teaching children proper social behavior.

My daycare center is conveniently located near Willow Glen, Cambrian, Campbell, and only three minutes away from Ebay Headquarters on Hamilton Ave.

I am bilingual, fluent in English and Spanish.
