Are you on a fixed low income this may be for you?
 Do you work a part time afternoon or midnight job this may be for you?
 If you help me I'll help you.
 I live in Warren MI. between 9 and 10 mile Rd. about 2 blocks from Hoover Rd.
 I'm looking for a female to live in and help take care of my wife, cooking and house chores.
 She has liver cirrhosis and some memory loss that goes with it.
 She does not know when she has to go to the bathroom she is in diapers.
 She needs constant changing and cleaning.
 She also needs help eating and bathing.
 She sometimes takes off on me and I have to search for her.
 She needs to be watched 24/7.
 I also have a cat and a German shepherd they both stay indoors.
 The dog gets excited when seeing people for the first few times she likes to jump up and tag you with her paw.
 She dose settle down after she gets to know you.
 She's just a happy 6 year old puppy that doesn't get enough attention.
 I did put my wife in assisted living on 3/13/15.
 I want to try to get her home by June if I can.
 I'm really not sure if this is going to happen with her health.
 3 years ago the doctor told us she had 3 to 6 months left.

I need to get my home back in order before I bring her home.

I have a 1/2 bath upstairs and downstairs.
 House and yard are well kept and clean.
 I charge a fee of \$0.00 for utility's and help me clean house to get ready to return.
 I give you food and utility's for the dog come home.

If she doesn't come home by June, I'll still let you live here but you'll have to pay some rent or maybe more on utilities, clean and cook.

I'll listen to your offer also.
 No drugs, No Smoking, No Marijuana and if you drink lightly that's OK
 But it cannot ever be seen or smelled in the presence of my wife that is
 the reason she is in this condition.
 I do like to quit with limited visitors.
 If you have any pets they will need to be evaluated.

---	--	--	--	---	--	--	--	--	--

And ZERO drama with husbands, boyfriends, ex's, friends and family.

If you think you can take care of my wife while I'm at work let's talk.

I'm at work 6:30am 4:00pm M-F.

You will also need to pass a criminal background check.

If you have years from your criminal history or only a dumb misdemeanor let me know about it, I will void it out.

And I'll need references and ID when the time comes.

I am 53 years old my wife is 60 years old.

I have a lot more to ask and say if you reply.

Please ask any questions you think of.

Thanks
