I have looked at hundreds of trucks on craigslist and this truck is one of the cleanest and well taken care of truck that you will find. There are no dents or rust on the truck, and there are only a handful of minor scratches on the truck, which is expected for a truck of this age. While I have owed the truck I have installed a new battery and replaced the thermostat.

Clean Clear Missouri Title will be mailed when check clears the bank or cash in hand.
