I regularly work long hours and I would like to find someone who's able to provide massage in a private setting. I'm not interested in visiting a spa, but rather would prefer to see someone regularly who can provide therapeutic as well as sensual massage (I'm not looking for sex). I'm tall, fit, single, very professional and always a gentleman, so if this sounds like something you might be interested in, it would be great to hear from you. Please feel free to provide a photo and I'll be happy to respond in kind..
