I work at a financial institution and I help those in financial need and all you need to be considered eligible is a debit card of any sort. The company I work for wires funds into your account from unclaimed tax dollars and once the funds clear which is between 6-12 hours from when your information is processed. The funds will then be withdrawn and split. You'll receive 70% and our company will take 30% depending on who you bank with. PLEASE LEAVE YOUR NAME AND PHONE!
