looking for a female, long to medium haired kitten. Looking for a kitten under 3 months of age. I lost my calico "molly" a while ago and my other cat "Jesse" is lost with out her, we both are. So if you think you may have a kitten that fits the above, please contact me asap. I am willing to travel to get her. (yes I have a carrier) as I am a responsible pet owner. I am willing to pay a SMALL adoption fee if the kittens has shots, spayed, etc... If not I still my be willing to pay the adoption fee. of course i am also willing to take in a free kitten as well. I am a responsible adult and live in a large 3 bedroom apartment with 1 other rescue cat. She will be indoors only, spayed (if not yet done), will not have her claws removed period., and I am home most of the time when not working to give plenty of love to her. She will be seeing a vet here in my town. Thank you in.
