Rehoming a 8 month old black lab puppy. She knows basic commands such as sit, paw, and come. Rehoming is due to the dog jumping and knocking down my 2 year old granddaughter and 8 month old grandson. I also babysit and she continues to jump on the kids trying to play. She loves to play fetch and run. She is a sweet dog but would do best in a home without toddlers due to jumping. She will be rehomed with her toys, dog dish, and cloths and vet records. She is up to date on shots. There is a 350 rehoming fee. Call
