Hello, my name is Kim. Let me give you some background on my experiences;  
I began working as a Nanny for about 6 yrs. I then started my own In-home Daycare and was very successful before moving out to Phoenix for awhile! I am now again living in Omaha and want to continue providing childcare!

~ I would like to provide childcare in Your Home ~

\*\*~~ I am available June 1st ~~\*\*

At this time I am looking to take on a family of up to 4 children Full-time or Part-time!  
~IN YOUR HOME~

I am also looking to provide the following:

(A Date Night, Back-up Daycare Provider, A Sick Child staying at home or Occasional Weekend/Week Night Day or Evening)

I can prepare meals and do light housekeeping!

I have experience with newborn's up to teenagers! I've worked with babies with colic, reflux, and food allergies as well as children with diabetes and ADHD!

I enjoy playing games, reading books, coloring and building forts. I like to get the children involved with me, in whatever I might be doing, whether it be making lunch, baking cookies or just vacuuming!

I enjoy the arts and crafts. I like to play music for the kids and find that it is just as satisfying as sitting with the children and watching them "go to the wheel" ("go to the bus")!  
I read to my kids just as much as I do to my grandkids because it stimulates them in different ways.  
I encourage individual thought and self expression.

I believe that children should have manners and I will work with the parents to make sure that we are always on the same page! I think that time outs are necessary when accompanied with positive reinforcement and guidance!

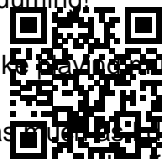

I am Certified in First Aid and CPR  
I have my own transportation!
