Hello, my name is Kim. Let me give you some background on my experiences;
I began working as a Nanny for about 6 yrs. I then started my own In-home Daycare and was very successful before moving out to Phoenix for awhile! I am now again living in Omaha and want to continue providing childcare!

~ I would like to provide childcare in Your Home ~

~~ I am available June 1st ~~

At this time I am looking to take on a family of up to 4 children Full-time or Part-time!
~IN YOUR HOME~

I am also looking to provide the following:

(A Date Night, Back-up Daycare Provider, A Sick Child staying at home or Occasional Weekend/Week Night Day or Evening)

I can prepare meals and do light housekeeping!

I have experience with newborn's up to teenagers! I've worked with babies with colic, reflux, and food allergies as well as children with diabetes and ADHD!

I enjoy playing games, reading books, coloring and building forts. I like to get the children involved with me, in whatever I might be doing, whether it be making lunch, baking cookies or just vacuuming!

I enjoy playing music. I like to play music for the kids and find that it is just as stimulating as singing ("the wheels on the bus")!
I read to the kids just as much as I do my own books cause it helps them in different ways.
I encourage individual thought and self expression.

I believe that children should have manners and I will work with the parents to make sure that we are always on the same page! I think that time outs are necessary when accompanied with positive reinforcement and guidance!

I am Certified in First Aid and CPR
I have my own transportation!
