Hello, my name is Kim. Let me give you some background on my experiences;

I began working as a Nanny for about 6 yrs. I then started my own In-home Daycare and was very successful before moving out to Phoenix for awhile! I am now again living in Omaha and want to continue providing childcare!

~ I would like to provide childcare in Your Home ~

~~ I am available June 1st ~~

At this time I am looking to take on a family of up to 4 children Full-time or Part-time! ~IN YOUR HOME~

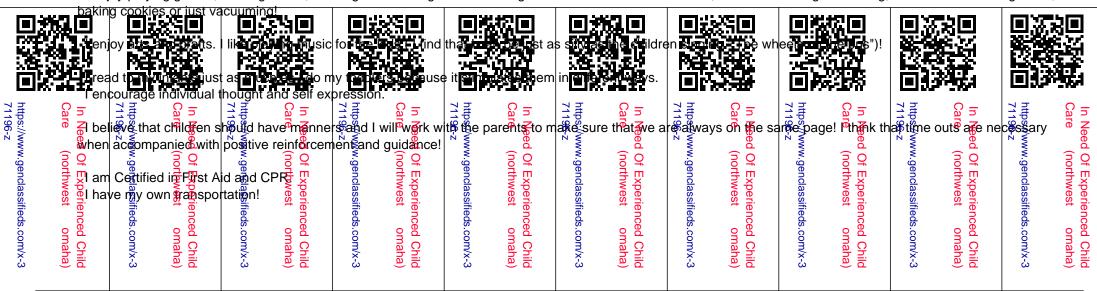

I am also looking to provide the following:

(A Date Night, Back-up Daycare Provider, A Sick Child staying at home or Occasional Weekend/Week Night Day or Evening)

I can prepare meals and do light housekeeping!

I have experience with newborn's up to teenagers! I've worked with babies with colic, reflux, and food allergies as well as children with diabetes and ADHD!

I enjoy playing games, reading books, coloring and building forts. I like to get the children involved with me, in whatever I might be doing, whether it be making lunch,

If you are interested in learning more about me or have any questions Please contact me either by phone or e-mail.
Thanks!
