We have a structured schedule, loving and nurturing staff, and education for all ages. We believe the key to a Happy Child is a Happy Heart. We focus on positive praise and ways to encourage children. Family is very important to us, so we understand how hard it could be to have to leave your little one; so we offer daily updates and pictures of your child on our Private Facebook page(with signed permission), daily progress notes, and the opportunity to drop in at anytime. We have daily arts and crafts, music time, outside play(6 foot fenced in play area), and learning time.

Our passion for children will show through our work and your children's smile. We encourage you to take a tour and see for yourself. If you have any further questions or would like to schedule a tour please call, text, or email.
