Selecting a quality bartender to manage the bar at your reception or event is equally as important as the food service and decorations. With 13 years of bartending experience (7 of event bartending), we have served a variety of clients. We provide my professional expertise to take all the worry out of planning in addition to serving skillfully and tastefully mixed drinks. You and your guests will enjoy nothing but the best cocktails and service for a truly extraordinary experience. We will cater to your event's needs with elegance and style!

Licensed, experienced and well versed with a vast knowledge of cocktail recipes; crowds big and small are easily accommodated with speed and efficiency.

The process is simple. You contact us with your event needs, and we will create and provide a top notch bar service in a positive, safe atmosphere, that is always served up with a smile! We want to keep our rates straight-forward and affordable for all of our clients and we will work with you to suit your budget. Compared to other mobile bartending services, we are excited to now offer a package deal, as well as a la cart services for convenience for our clients!! Our goal is to make as easy and convenient as possible for our clients, while providing the best service! Please email for more information and rates.
