We are a VIP invite only wholesale technology and telecommunications club. We are looking for self starters as these types of people have proven to be fun to work with and have excelled in this business. You can work part time if needed and would not interfere with what you currently do. We are helping more families and friends experience more in life and supplement their income if desired. We offer extremely exclusive pricing from top of the line company's and brands such as VERIZON, APPLE, DISH, SPRINT, ADT and many more! Your role would be to share a good idea and also participate in team building and of course the opportunity to have the company pay a few select bills for you! You MUST be coachable, outgoing, reliable, and a team player. Much like all businesses there is a small start up cost for you to get all your marketing materials, websites, and trainings you will need to be successful.

We are expanding rapidly in the DMV and Baltimore areas and we are looking for LEADERS that can step up to the plate! If you have ever wanted to be involved with something that is bigger than you and would give you a sense of fulfillment, this is it. Compensation will be commission based and bonuses will be paid weekly. Top producers enjoy increased commission percentages, company funded rewards such as Diamond cut watches, company funded retreats, lifestyle bonus to support housing, and much more! This will take work but then again you already knew that if you match the description above. Please respond via email and leave the following info:
