Depending on when you are available. I need to drive you to bus stops and you tape fliers to the bus stops and maybe car windows.

What's your rate? Listen carefully...

I may need you tonight in the Gaithersburg area or tomorrow in the DC area around nightclubs at night. WHICH can you do? I will pay you and get you a bite too eat.

You have to actually be a person who isn't about RUSHING home or elsewhere. I need to get these passed
