TF -- Pro Bono -- Portfolio Builds

When the studio isn't booked for the day, I like to make use of the time by bringing in LOCALS for TF (Free/Pro Bono/Portfolio) shoots. Concepts must benefit both of us.

You will receive, and are free to use, digital copies of our best photographs. All Edited, Processed, and retouched.

Hopefully we come up with photographs that add to our portfolios.

Currently I am interested in working TF on

--> Studio, Low Light, Profile Portraits
--> Black/White Silhouettes -- Studio or On Location
--> BLING!!!!!!!!- Over the top accessories!
--> Summer casual
