

Dogwalker needed for Dogwalking Company (East Somerville)

Location

Massachusetts
<https://www.genclassifieds.com/x-371307-z>

We need one dog to be walked which is located in Eastern Somerville.

The dog in Somerville needs to be given a 15 min walk twice a day: the first walk may begin at noon or 12:30 pm. The second 15 min walk may begin at 5:30 pm or 6:00 pm. Pay is \$10 per walk, or \$20 for 2 dog walks a day. A public library and cafes are in the neighborhood if you are interested in staying there between the two dog walks. The number of days the dog needs to be walked varies from week to week, but you'll be notified every Sunday of the Somerville dog's walking needs for the following week.

A great part-time job for anyone fond of dogs, or anyone who enjoys going on a daily walk in a residential neighborhood. Dog walker needs to be available always during the times specified and have to walk the dogs in rain, sun or snow and has to be communicative (via text and/or phone).

If you are interested, please specify in your reply when you are available to walk the dog in Somerville (generally we need someone to walk the dog on weekdays). Please contact us and we'll set up an interview at your earliest convenience. The dogs are friendly and easy to take care.
