Location **Massachusetts**
<https://www.genclassifieds.com/x-371312-z>

I need someone to oversee my lawn, adding some topsoil and fertilizer. I'll pay for all materials plus your labor (estimated 8-16 hours?) at \$15-20/hr cash. Located in Arlington Heights on busline (5 minutes from Alewife).

I also need someone to jackhammer a concrete slab (9 x 9 x 4" deep) and remove it. If you think you can do this, would love that!
