About Labor Smart, Inc.

Labor SMART was founded in 2011 to provide reliable, dependable and flexible resources for on-demand personnel to small and large businesses in areas that include construction, manufacturing, hospitality, event-staffing, restoration, warehousing, retailing, disaster relief and cleanup, demolition and landscaping.

Labor SMART believes it can make a positive contribution each and every day for the benefit of its clients and temporary employees. The Company's mission is to be the provider of choice to its growing portfolio of customers with a service-focused approach that enables Labor SMART to be seen as a resource and partner to its clients.

Do you enjoy being outdoors and working with your hands? We are looking for a Groundskeeper for one of our commercial clients communities. You will help to ensure the community grounds are kept looking well-tended and attractive. Help us to make our community the kind of place that residents are proud to be a part of.

Groundkeeper Position Overview

Groundskeepers perform a variety of landscaping maintenance and snow removal duties (where applicable). They regularly mow lawns, weed, and plant flowers, plow snow, remove debris from property

grounds, and overall ensure our grounds are well-maintained and look presentable. Groundskeepers also ensure the quality of their services and interact positively with others.

Groundskeepers mow lawns and shrubs approximately weekly. Tasks for weekly maintenance include weeding, leaves, plant flowers/shrubs, spread mulch/woodchips/stones, trim shrubs and hedges, cut down and remove tree limbs damaged by adverse weather conditions, and perform other lawn care services as necessary.

- 1. Inspect irrigation system regularly to ensure it is working properly and repair as needed.
- 2. Pick up trash/debris from common areas and streets on a daily basis.
- 3. Empties common area trash containers as needed.
- 4. Ensure community is presentable at all times and adheres to Sun's curb appeal standards.
