Location **Louisiana**

Two roommates moving out, looking to fill their spots on or before June 1st. Very spacious house, both rooms for rent are private with door and shared bathroom with only one other roommate. Nice, safe neighborhood in Uptown on Robert St., short walk in between St. Charles and Freret. The three of us are male, mid-20's, all either work or school full-time, but do like to enjoy the weekends. Looking for like minded individuals, male or female, that would fit the situation. Email listing address if you are interested and we will set something up.

Thanks,
