I just moved to wyandotte with my 2 kids. I have fallen on tough times and I'm having a hard time keeping my head afloat. My car had broken down and lost my job in results of my situation. I am NOT looking for money I'm just looking for help from really good people. I just need help getting some items that I cannot afford at this time. My daughter has a twin bed and my son is sleeping on an air mattress because I was not able to pick up his bed. When I moved. I'm looking for anyone that can donate a kids bed for my son. And a TV for their room. And if anyone has any spare or not using size 6 diapers or wipes. I hate having to post on here for help. But I do not have any family to help me out. Any donations whether it be a bed toys TV diapers clothes anything to help me out is.
