\$300 REWARD!!!!!!\$300 REWARD!!!!!!

A very dear family member was stolen from my brothers van while parked at the Home Depot at 7 and Meyers in Detroit today. Losing him to my brother is like losing his own son.

If anyone sees or hears from someone who is in the company of a Pug Chihuahua mix named Brutus, any information would be appreciated. Facebook page has many photos of him. Please share on any site you can to help him get home safe. He's 12 years old and has to eat a very special diet or he gets sick.

PLEASE send me a message or call Blair at with any possible information.

Distinguishing features are his light fawn (almost blonde) fur, brown ears, eyebrows and snout, white chin hairs, crooked teeth and a protruding belly button. (He's a very distinguishable pug)

He loves walks, belly rubs, car rides and green peppers.

He's also a very dominant pup who is not afraid to defend himself, which leads us to believe it was more than one assailant that broke into the van (only one perp would've likely lost his fingers)

However, he's extremely FRIENDLY if it's proven that you're not going to hurt.
