Hi, I am looking to rehome to large dogs together. Both are 6 year old males, neutered, housebroken, utd on shots, and recently groomed. One is a german shepherd and the other is a husky (both look pure bred but no papers). Their owner recently passed away. They seem to be good with other dogs and children-but no solid history, and cats are unknown. Really good dogs. Please text or e-mail if interested. Not willing to separate at this time. Can text.
