Sweet energetic male beagle he is good with kids and other animals. He needs a place to run and play and someone to work with him training him. I'm disabled and my son is working very long hours and no one has time to pay attention to him. We have all his vet records and he is up to date at this time. We kept him inside over the winter and if he has a clean pee pad he will always use it. He is a great alarm for when someone is in driveway or in the yard. Very small re homing fee please call or txt Steve at

anytime. (DELTA is his)
