

2004 Hyundai Sonata GLSLX (2795 USD)

Location **Kentucky**
<https://www.genclassifieds.com/x-371540-z>

I have a 2004 Hyundai Sonata that I am selling for a friend. It's a reliable car that is great on gas, and excellent for commuting back and forth from work. Would be a good starter car. Car does have slight damage to rear passenger side door. Asking price is \$2795.00 or best offer. If interested text your information to
