

Spring Yard amp Garden clean up (sw mpls)

Location **Minnesota**

The cold and snow came fast (and lasted!) last fall....leaving many yards/gardens full of leaves, spent perennials and weeds!

Start off 2015 on the right foot and get your gardens cleaned up NOW! Leaves and debris need to be removed NOW to allow the warmth and rains to soak into the ground and nourish your perennials.

I also can do bush pruning or trimming, cut back dead wood from bushes and small trees and handle the thorny job of pruning your roses to encourage new growth!
