Clean cut guy here who doesn't smoke, doesn't do drugs, doesn't have any tattoos or anything like that. I work hard and at full speed from start to finish without taking breaks while being careful to not damage any items or walls. Have helped numerous people off of craigslist and everybody has been very satisfied. I live in St. Louis Park and am available to help out loading/loading/packing in SLP and surrounding cities at a rate of 20 dollars an hour payed in cash at the end of the work. Send me an e-mail with the date you need help on, expected start/end time and location(s). Any e-mails missing that information will get deleted, so will the "My number is xxx-xxx-xxxx, call me for details". I am available on short notice if I am not helping out on another move, I check my e-mails often and will respond as quickly as I can..
