Want to learn Photoshop??? (Ingles o Espanol)

IN-PERSON classes in South Beach

Wether you are a model or a photographer or just want to learn how to use Photoshop to retouch, make photo albums or do anything cool with it. I can help you. (If you are a photographer I can also teach you to retouch your RAW images)

You set the schedule and how far you want to go with your Photoshop lessons.

I can offer you different option.

\$20 per hour. If you want to do a short course this is a good option for you. A few classes and you'll learn that specific thing that you have in mind.

THIS IS WHAT I DO:

Retouching photos
 Enhancing Color
 Editing and retouching images

Editing and retouching images, redacting, manipulating, removing body parts, creating the background image of a page, removing unwanted objects, obstructions, maintaining the integrity of the image.

Designing and composing business cards, flyers, layouts, photo albums, social media posts, Facebook covers, slideshows, etc.

Business cards
 FLYERS

Photo Albums

I'm an experienced photographer skilled in Photoshop, Adobe Premiere 2.0 and .Raw Edition. I have worked for 11 years in a wedding photography studio and can design albums, enhance/touch up photos and properly handle photography equipment.

I am a student studying for my GRE for a master's degree in Engineering so I have a flexible schedule and can start immediately.

Si eres modelo, fotografo o simplemente quieres aprender a usar photoshop para retocar fotos, hacer photo albums o cualquier cosa nueva. Aqui estoy para ayudarte. Ofrezco clases en persona en South Beach. Tu escoges el plan y el horario que quieras. Desde \$20 la hora. Depende de lo que quieras aprender puedes armar tu agenda.
