

# Double Recliner Sofa w Console (150 USD)

Location **Louisiana**

Double recliner sofa with console and 2 cup holders.  
Microfiber  
Dark Brown  
Arm to arm just under 7ft  
Very Comfortable  
Good Physical Condition

Smells like cat urine. Cushions are not removable so I am unable to wash them properly. I had it professionally cleaned and it worked pretty good. I was also using an odor eliminator spry from PetSmart and it worked pretty good as well. But the cats keep treating the sofa as their urinal. I think they can smell something on it that I can't so they keep going back.

Asking \$150 OBO

Also willing to trade. I am looking for weights (plates and dumbbells), heavy bag (and stand), and squat rack. Or you can make me an offer.

Pick up only, I am unable to deliver.
