No experience is necessary. Kind of event planning is expected, but not required. If you're willing to help, we're willing to work with you.</p>	 <p>Community Outreach                  Just heard about Gearin' Up Bikes? Want to help spread the word? Choose some shops and community/social centers in your neighborhood, or places at your school, and put up posters, or drop off some brochures for us.</p>	 <p>Photography                  We can use more photos of our programs! #### Accounting

If you have accounting experience working with small businesses or nonprofits and are looking for some way to share your expertise, please contact us!

#### Truck/Van Drivers

We need experienced drivers who will pick up bikes from donors on a very occasional basis and bring them to us. Every spring and fall we collect bikes at drives throughout the D.C. metro area, and helping run these drives and pick up the bikes is a great way to support our work.

#### Organize a Bike Drive

Organize a local bike collection in your neighborhood through your school, community group, church, or family! When you do the outreach to bring the bike donors to your drive, we'll help arrange transportation of the bikes to our storage location or store.

We look forward to hearing from!
