Location **Indiana** https://www.genclassifieds.com/x-371668-z

Reasons to select me as your tutor for the GMAT or GRE:

Experience: Over 3 years tutoring experience in both the GMAT and GRE and experience working for an elite test prep company.

Quality: Will provide you references of past clients that have improved their scores.

Expertise: I provide a structured approach with notes, problem sets and homeworks. I have cracked the GRE (1510 out of 1600).

Value: I do not lock you into an endless cycle of tutoring sessions. On average it takes me 4-6 sessions to prepare someone for the GMAT or the GRE quantitative section and 2-4 sessions for the verbal.
