I am moving back to my hometown and am looking for a "sublettee." My room is in a 4 bedroom apartment but only 2 people total (including me) live here, so you would have 2 bedrooms all to yourself and your own spacious bathroom! The kitchen has all appliances and the living area is very nice. The bookstore, Five guys, Dairy Queen, Jimmy John's, Chipotle, and more restaurants are a minute's walk away, as well. The rent is only \$350 a month, plus utilities, but internet is provided. The other roommate is a girl. Gender is not a.
