Think you could be the next Martha Stewart, Dr. Oz, Suze Orman, Tony Robbins, Stacy London, or Anthony Bourdain?

A well-established television company based in New York- distributed through multiple networks reaching over 100 million homes nationally via Comcast, Direct TV and more- wants to develop new talent with the potential to be the next big television celebrity.

We are seeking to qualify candidates and show concepts, that are unique and not currently affiliated with a network, for production and national network distribution.

If you feel your idea is a hit television show, and the next step in helping to grow your brand nationally, contact us!
