Aloha!

I am seeking female models for beginning modeling work. Experience not necessary, just a good work ethic, and dedication to creating a new look. There is no pay or fee for this shoot. You will receive a CD with the photos for your use. Most looks will have outfits provided. Open to all types of themes and ideas. Let me know what you would like to do, and we will do it!

Include a pic along with your ideas and thoughts. We can go from there.

Thank you! Have a great!
