Looking to rehome my ball python collection (female heavy). All of them are 100% healthy and in good shape. I am rehoming them because I'm moving and will be going to school full time. I won't be able to provide them with the proper care they deserve while I am in school. So I am looking for people that can provide them with a good home, great care and the love they need. Most were born late 2013 or early 2014. They are great pets! With consistent feeding most should get pretty big by this season! Message me for more info, pictures and videos. Rehoming fees and snake descriptions are listed below.
