- Maybe you don't like your day job and desire to change careers?
- Maybe you're tired of musicians with no commitment and its only their hobby?
- Maybe you don't like half ass cover bands playing part time, dead end gigs for no pay?
- Maybe you don't like the "revolving door" most bands go through changing members?
- Maybe you're tired of trying to reinvent the wheel and going nowhere at garage rehearsal?
- Maybe you're a band Leader and you'd prefer to be with a GROUP of LEADERS?

Then maybe you're ready to make a living playing music as your career.

Join this HEAVY METAL TRIBUTE ACT.

This is not an "ave" and there is no "reference".

We are creating a TOP NOTCH Act, building an entity and a LEGAL BUSINESS with value and EQUITY. It will be a partnership. It does require commitment and it will require regular travel.

DRUMMER; Must play double kick and possess a fast, heavy, TRAINWRECK style

This is a startup. Not a walk in/walk on for a hired gun with no commitment to the act.

At this time we are SELF FUNDED as we seek a silent partner/investor.

No money is required at this time and no contracts at this time either.

Only your considerate word and your time to rehearse independently to learn the 15 tune set.

After which we will rehearse together for one week at a location to be determined. Immediately followed by a performance recorded live for our VIDEO DEMO.

This demo will be used to shop the act to talent buyers.

This will be a TOURING ACT building an entity, a reputation and a legitimate, profitable business where each member is an owner, has a vote and financial equity.

Anyone who thinks they`re RIGHT is encouraged to contact.
