German shepherd puppies born March 7, 2015. We are looking for responsible parents, that can afford and provide them with the healthy lifestyle they have been living. Parents are fed holistically, loved, and trained in the holistic approach. If you were interested in one of ours, I urge you to read about holistic dog training skills (non-violent).

Our baby sheperds are looking for lifelong, loving, loyal homes. Born and raised on a holistic diet for health, longevity, and freedom from disease. Must be indoor/outdoor for best transitioning into their new homes. Puppies will not be ready to go for another month. Parents are pictured. Both are wonderful with children, and have great temperment. From working blood lines and are excellent guardians. Not offering with papers, we wish for our furry children to not go to breeders. Parents and Puppies are not vaccinated. Raised on a clean property, free from disease. Our puppies have been raised in a loving, nurturing environment and we want them to transition into another nurturing, loving environment. We feed our furry children a grain free diet and supplemental raw meat for total health max. Wont be ready to go until June. Till then, you can read all about shepherd's and holistic approach to dogs. I will personally screen you since I wont sell them to just anybody. thank you and enjoy the pictures.

Ps. holistic grain free diet is essential in dogs, since all dog diseases come from manufactured cheap grain diet. DOGS COME FROM WOLVES, WOLVES DONT EAT CORN,WHEAT,SOY. THEY EAT RAW MEAT/DEAD ANIMALS. THEIR DIGESTION SYSTEMS ARE EQUAL AND ARE DESIGNED FOR THIS PROCESS. Asking for a serious rehoming fee. Please only serious.
