

## Motorized Exercise Cycle ActivCycle Brand (50 USD)

Location **Indiana**  
<https://www.genclassifieds.com/x-371885-z>

Exercise cycle allows to exercise while you work, watch TV, browse the internet from seated position. Promotes blood circulation, improves balance, and strengthens muscles. Purchased this for my elderly father, but actually can be used by anyone. There is a motor and can be used by peddling or circling arm movement. This ActivCycle was never used-New in.
