Looking for small apartment or loft or basement housing but need a small yard or dog park on premises. "Ollie" is a very well behaved dog. Willing to pay extra rent and deposit for him to stay with me. I do not smoke or do drugs or party. I live a very simple, quite life. I'm hoping someone will give me and my dog a chance. I help my mother out so anything near Orchard and Overland would be great.

Thank you for your time.
