WILLING TO DEAL...MAKE A OFFER...Up for sale is my 52" GD Stander with quick adjustable deck....full commercial unit with only 443 hrs....powered by a very strong 23 HP Kawasaki commercial motor with Donaldson air filter system....electric start with manual choke....excellent running mower in great shape with very low hours...cleans up nice...might consider trades, only as partial ( especially f.o.i.d. Items ) or a commercial grade ZTR with 48" or 52" fabricated deck ....just message, won't hurt to ask ....\$3250 or best reasonable offer. Nothing wrong with this mower, blew out my knee and can't stand and mow...otherwise would not sell...Thanks  
Åž
