Photographer seeks model or ballet dancer for fine art dance images (MS Gulf Coast)

Location Mississippi https://www.genclassifieds.com/x-371996-z

I'm looking for a ballet dancer, or a model with ballet experience, to collaborate with me on a series of ballet photographs to be taken at various landmarks and iconic locations on the Mississippi Coast. I need someone with the skills and experience to pose on pointe and in other difficult poses and positions long enough for me to photograph. I want to shoot at several locations on the Coast, including in front of the Biloxi Lighthouse, inside the Coast Coliseum, along casino row, on a Biloxi schooner or shrimp boat, and along US 90.

This is NOT a nude or topless shoot - you'd be wearing dance clothes and/or leotard. I can't pay you, but I will give you your choice of prints or digital versions of all of the best images.
