I'm looking for a new home for my brown and white Holland Lop bunny. He's very friendly, house trained, and re-homing will include his cage, litter box, toys, bedding and food as well. I'm going to be moving soon and can't take him with me, so I need to find him a home ASAP. re-homing fee of \$50 (or best offer) for the bunny and all the gear will apply. Since I work all day, it's best to reach me by text or email. I'll send pictures to those interested that ask. Thank.
