1. Bill Clinton and Anthony Weiner (Carlos Danger and Humas husband) will be hanging out together in the Whitehouse. The antics will be embarrassing around the world but very amusing and great for late night TV.
2. Welfare will be continued repressing the poor Hispanics and blacks longer. But hey, more jobs for the lowans she's courting right now.
3. Pressure will be on to make Chelsea the Libyan Ambassador because...What diffrence does it make?
4. She needs the job, she's complained she's broke.
5. Hillbillary has paid her women staffers .72c for every dollar her men make. This saves the Taxpayers money.
6. Who doesn't want to see her zooming around DC in the Scooby van!
7. She has the following accomplishments as Secretary of State....um...ahhh (crickets)
8. Spying will be difficult for our enemys...she deletes everything and destroys the servers after use.
