Furnished room available April 15th. All utilities included. The house has been updated and remodeled. Brand new Refrig, Stove, Washer/dryer. Has central air. No cats. If your dog was "cool" I would have some dialogue about it. It is a 5 bedroom ranch. 3 bedrooms upstairs with full bath and 2 bedrooms downstairs with a full bath. It has a nice, big deck in the backyard. I have a double lot, so there is a big, side yard to the south of the house. It is very quiet street. There are 3 flat screen TV's in the house, one 50" above the fireplace upstairs, there is a 42" flat screen with a sitting area in the basement, and a bar with a TV hanging behide it. Plenty of living space.

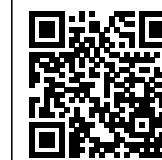

What I'm looking for in a roommate: No smoking. A social drinker is fine. It would be great if you liked sports: bears, bulls, hawks, cubs/sox would be a plus. Someone that is active and doesn't sit on the couch 24/7. I'm not looking for a best friend, but I also don't want some stranger that just keeps to himself 24/7. Would prefer to have someone that I have something in common with.

Must submit to background check.

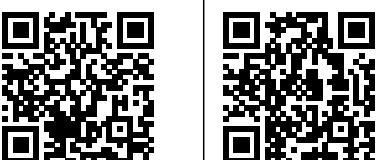

About me: Easy going, energetic, like to workout, hard working, active. I keep a clean house and an constantly doing home improvement projects to make the place look nicer. Enjoy being outdoors, biking, golfing.

The last picture is a "joke", that's my brother's place down in Florida.

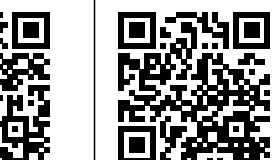

I will negotiate price if someone is only around on a part-time.
