All pricing includes runner service to and from the Courthouse and/or E-Filing. We prepare, and upon approval file and return the documents to you, in a timely fashion. Majority of the documents are prepared, reviewed, signed and filed, when you come in; however, some cases require research and additional time for preparation, and the turn around time ranges from 24-48 hours. Our paralegal graduated and is fully certified, since May 2002, and licensed to conduct business in the State of Nevada, as well as California.

My fees are flat fees, meaning no hidden fees; however, there are additional charges for personal service, certified mail and Court filing fees. The Court filing fees are made payable directly to the Court at the time of filing. Keep in mind, the Court will not file documents without the filing fee, if applicable. If you are below the poverty guideline, you may apply for a filing fee waiver, at which time the decision to proceed without having to pay the filing fee will be made by the Judge.
